

MACHADA THAI SILK

Pakthongchai Nakhonratchasima Thailand

Matchada Thai Silk was established in 2003 to promote economize realize and to keep Thai national's art that have learned from generation to generation also give benefit to members.

Developing Organization of Pakthongchai have competition of Hand Weave Silk from members. We proud to say that the Hand Weave Silk's qualification, texture, style, and productivities process was leaned from generation to generation. Nowaday we invent the

new producing process to improve our quality to send to the market and Matchada Thai Silk attending to every part of process of production especially for will be not effect to environment care.

Matchada's Silk will be unique in Pakthongchai. Our target marget are in Thailand and also export. We distribute to the customer with qualified packages.

Matchada Thai Silk would very welcome to visit and ready to show the producing process.

The price of products are satisfied with the qualified. Matchada also have souvenirs store, toilet service, rest area on 304 rd.
